

How to Install the QR Code Reader

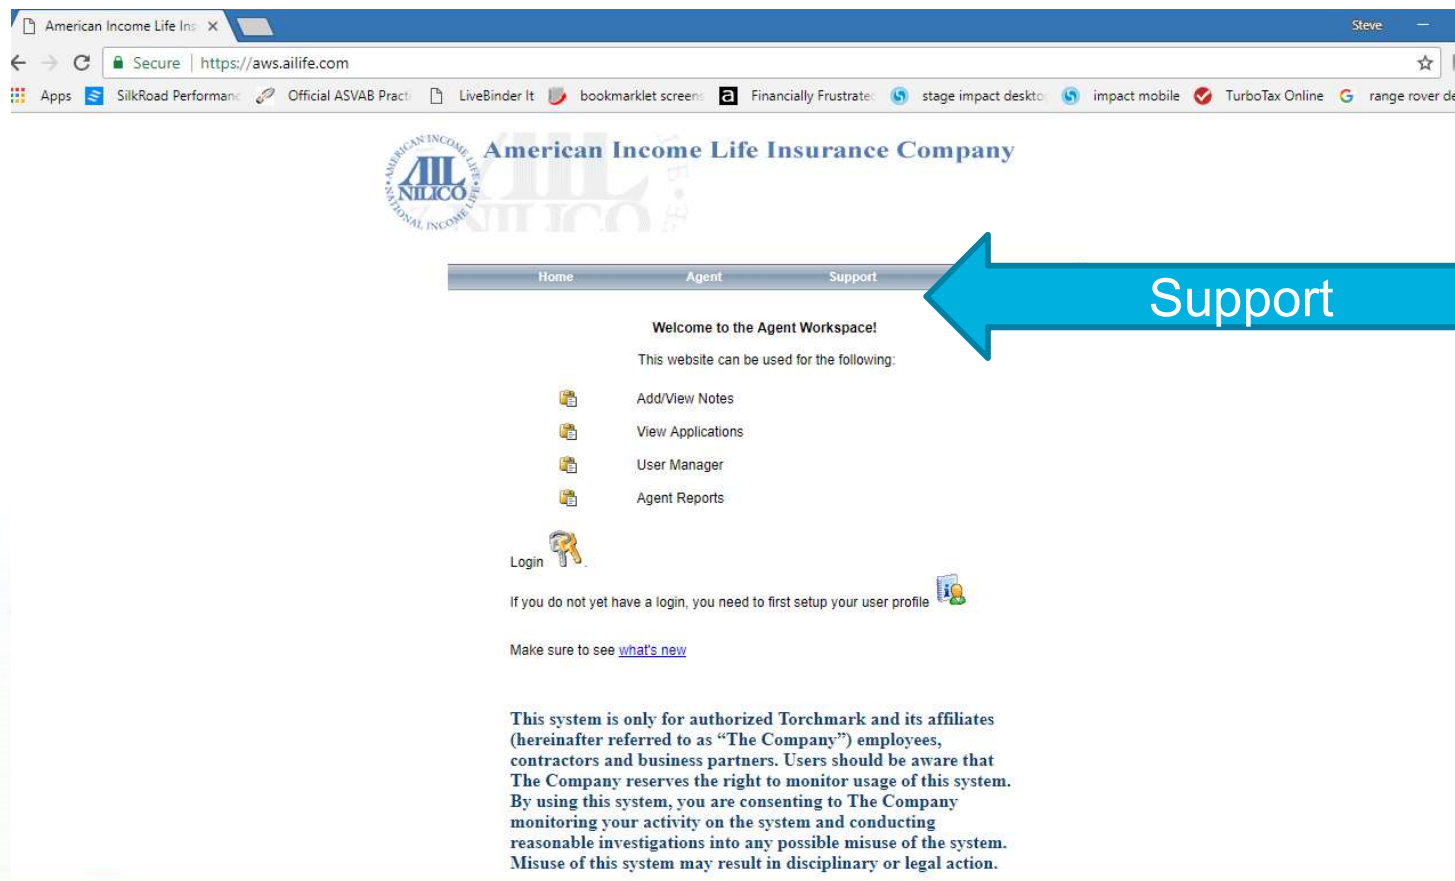

Step 1: From your cell phone <https://aws.ailife.com> or <https://aws.nilife.com>

The screenshot shows a web browser window with the URL <https://aws.ailife.com>. The page header includes the American Income Life Insurance Company logo and navigation links for Home, Agent, and Support. The main content area is titled "Welcome to the Agent Workspace!" and lists several functions: Add/View Notes, View Applications, User Manager, and Agent Reports. A "Login" button is also visible. A message states: "If you do not yet have a login, you need to first setup your user profile". A link to "what's new" is provided. A disclaimer at the bottom states: "This system is only for authorized Torchmark and its affiliates (hereinafter referred to as 'The Company') employees, contractors and business partners. Users should be aware that The Company reserves the right to monitor usage of this system. By using this system, you are consenting to The Company monitoring your activity on the system and conducting reasonable investigations into any possible misuse of the system. Misuse of this system may result in disciplinary or legal action."

Step 2: Choose Support

A screenshot of a web browser displaying the American Income Life Insurance Company website. The browser's address bar shows the URL <https://aws.aillife.com>. The website header includes the company logo and the name "American Income Life Insurance Company". Below the header is a navigation menu with three options: "Home", "Agent", and "Support". A large blue arrow points to the "Support" option. The main content area of the page is titled "Welcome to the Agent Workspace!" and lists several functions: "Add/View Notes", "View Applications", "User Manager", and "Agent Reports". There is also a "Login" section with a key icon and a note that users without a login need to first setup their user profile. At the bottom, there is a disclaimer stating that the system is only for authorized Torchmark and its affiliates employees, contractors, and business partners, and that users consent to monitoring of their activity.

Step 4: Choose Appropriate file for Cell Phone Brand

The screenshot shows a web browser window with the URL <https://aws.ailife.com/Downloads.aspx>. The page header includes the American Income Life Insurance Company logo and the text "American Income Life Insurance Company". A navigation menu contains "Home", "Agent", and "Support". A "Welcome, Steve Surace" message is displayed with a [logout](#) link. Below the navigation menu, there are links for "Contact" and "Downloads".

The "Software Downloads" section lists several items:

- An icon for the American Income Life (AIL) logo with the text: "To download eApp, click [here](#) ."
- A Microsoft .NET logo with the text: "If you do not have Microsoft .NET Framework 4.6 installed on your machine please download it from [here](#) ."
- An Adobe Reader logo with the text: "If you do not have Adobe Acrobat Reader installed on your machine please download it from [here](#) ."

At the bottom, there is a section titled "Select your device below to install QR Code Generator App" with two buttons: "iPhone" and "Android". A large blue arrow points to the right, with the word "Download" written on it, indicating the next step in the process.

How to Install the QR Code Reader
